

Cherry Hill FC Policy

Penalty for Team Failure To Support Club Fund Raising

It is a requirement for all teams in Cherry Hill FC to participate in fund raising for the club via ad book sales and sponsorships for the tournament. Team fund raising minimums are posted each year with tournament ad book documentation.

Teams that fall short of their minimum goal will be penalized by not receiving referee fees from the club in the following playing year (fall and spring).

Sometimes the board will review special cases for partial credit toward goals like significant club volunteerism in the tournament or elsewhere, or other factors.

After the tournament the board will officially vote on teams to be penalized and those teams will be notified.
